

1106 DIS 208

Week 5 (#1)

2/19/2020

Discussion Outline

- Upcoming Assessment
- Euler's Method

Benjamin Thompson (he/him)

bgt37@cornell.edu

Office hours: 4:15 - 6:15 Thu

Upcoming Assessment

- Homework 5 (Tuesday, 2/25)
- Reading Quiz 11 (?)
- Quiz 2 (Friday 2/28) (After February Break)
- Prelim 1 (Tuesday, 3/10) (3 weeks away)

• You always ask questions on Piazza

Last time: Vector field trajectories
+ time series

Today: Euler's Method.

Goal: develop a basic understanding of
Euler's method

- Verify if you understand it: Can
you do Q1 on the worksheet?

- If Q1 too difficult, maybe try Q2
first

- Use online resources and classmates for help

(maybe
helpful)
